Christmas News from NSW

Thalassaemia Society of NSW

Hello everyone!

Santa's little helper has been working overtime to get a little something for all our beautiful patients being treated at Westmead Children's Hospital and Sydney Children's Hospital. Look out for your Child's little gift when you visit the hospital for your last transfusion for 2013.

We would like to wish all our members, families, carers and stakeholders a Wonderful Christmas and a Happy and Safe New Year.

We thank would like to give thanks to all who supported the Society in any way this year our work could not be done so well without your support, care and generosity.

We look forward to another successful year ahead!

See you all in 2014.

Christmas News from TA

Season's greetings to you all!

After a successful 2013 we are now looking forward to the new year to continue raising awareness and information on thalassaemia and sickle cell anaemia, as well as supporting those living with these conditions and their parents and carers.

Late last month, TA held its AGM at the Medical Therapy Unit at Monash Health and a new committee of management was elected. We do however, have two positions available for anyone that would like to volunteer some of their time to assist us with our programming and patient care. Please contact the office if you are interested on 03 98882211.

This year Thalassaemia Australia will also be providing our young patients at the Medical Therapy Unit with a small Christmas gift for the festive season.

Once again, we thank you all for your support during 2013, especially the Management and staff at the Medical Therapy Unit and we wish you all a happy, safe and healthy holiday season.

Warm regards,

Thalassaemia Australia Staff and Committee of Management.
